

P0009-2024

ספרות מחייבת לבחינת שלב א' - נוירולוגיה

ספר אחד בלבד :

Bradley and Daroff's Neurology in Clinical Practice, Eighth edition

Authors : Joseph Jankovic , John C. Mazziotta, Scott L Pomeroy, Nancy J. Newman

ISBN : 978-0-323-64261-3

Date of Publication: 04/2021

כל הפרקים בסילבוס למעט פרקים : 8,30,37,39,59,60,68,72,75,89,90,110,111

בינואר 2024 הוחלט להוריד פרקים נוספים :

38,40,44,45,46,47,50,56,57,61,91,104

Part I: Common Neurological Problems

1. Diagnosis of Neurological Disease

2. Episodic Impairment of Consciousness

3. Falls and Drop Attacks

4. Delirium

5. Stupor and Coma

6. Brain Death, Vegetative, and Minimally Conscious States

7. Intellectual and Memory Impairments

9. Behavior and Personality Disturbances

10. Depression and Psychosis in Neurological Practice

11. Limb Apraxias and Related Disorders

12. Agnosias

13. Aphasia and Aphasic Syndromes

14. Dysarthria and Apraxia of Speech

15. Neurogenic Dysphagia

16. Neuro-Ophthalmology: Afferent Visual System

17. Pupillary and Eyelid Abnormalities

18. Neuro-ophthalmology: Ocular Motor System

19. Disturbances of Smell and Taste

20. Cranial and Facial Pain

21. Brainstem Syndromes

22. Neuro-otology: Diagnosis and Management of Neuro-otological Disorders

23. Cerebellar Ataxia

24. Diagnosis and Assessment of Parkinson disease and other movement disorders

25. Gait Disorders

26. Hemiplegia and Monoplegia

27. Paraplegia and Spinal Cord Syndromes

28. Proximal, Distal, and Generalized Weakness

29. Muscle Pain and Cramps

31. Sensory Abnormalities of the Limbs, Trunk, and Face

32. Arm and Neck Pain

33. Lower Back and Lower Limb Pain

Part II: Neurological Investigations and Interventions

34. Investigations in Diagnosis and Management of Neurological Disease

35. Electroencephalography and Evoked Potentials

36. Clinical Electromyography

41. Vascular Imaging using Computed Tomographic Angiography, Magnetic Resonance Angiography, and Ultrasound

42. Functional and Molecular Neuroimaging

43. Ocular Functional and Structural Investigations

48. Clinical Neurogenetics

49. Neuroimmunology

Part III: Neurological Diseases and their Treatment

51. Management of Neurological Disease

52. Pain Management

53. Neurointensive Care

54. Principles of NeuroEndovascular Therapy

55. Neurological Rehabilitation

58. Neurological Complications of Systemic Disease in Adults

62. Craniocerebral Trauma

63. Spinal Cord Trauma

64. Trauma of the Nervous System: Peripheral Nerve Trauma

65. Ischemic Cerebrovascular Disease

66. Intracerebral Hemorrhage

67. Intracranial Aneurysms and Subarachnoid Hemorrhage

69. Spinal Cord Vascular Disease

70. Central Nervous System Vasculitis

71. Epidemiology of Brain Tumors

73. Clinical Features of Brain Tumors and Complications of their Treatment

74. Primary Nervous System Tumors in Adults

76. Nervous System Metastases

77. Neurological Manifestations of Human Immunodeficiency Virus Infection in Adults

78. Viral Encephalitis and Meningitis

79. Bacterial, Fungal and Parasitic Diseases of the Nervous System

80. Multiple Sclerosis and Other Inflammatory Demyelinating Diseases of the Central Nervous System

81. Paraneoplastic disorders of the nervous system

82. Autoimmune encephalopathies with antibodies to cell surface antigens

83. Anoxic-Ischemic Encephalopathy

84. Toxic and Metabolic Encephalopathies

85. Deficiency Diseases of the Nervous System

86. Effects of Toxins and Physical Agents on the Nervous System

87. Effects of Drug Abuse on the Nervous System

88. Brain Edema and Disorders of Cerebrospinal Fluid Circulation

92. Neurodegenerative Disorders

93. Mitochondrial Disorders

94. Prion Diseases

95. Alzheimer's Disease and other Dementias

96. Parkinson Disease and Other Movement Disorders

97. Disorders of Upper and Lower Motor Neurons

98. Channelopathies: Episodic and Electrical Disorders of the Nervous System

99. Neurocutaneous Syndromes

100. Epilepsies

101. Sleep and Its Disorders

102. Headache and Other Craniofacial Pain

103. Cranial Neuropathies

105. Disorders of Nerve Roots and Plexuses

106. Disorders of Peripheral Nerves

107. Disorders of the Autonomic Nervous System

108. Disorders of Neuromuscular Transmission

109. Disorders of Skeletal Muscle

112. Neurological Problems of Pregnancy

113. Functional and Dissociative Neurological Symptoms
